

COMMERCIAL • FURNITURE CARE

# Commercial Rate Guide

Lounge, banquette & dining-chair care for hotels, hospitality venues, aged care and short-stay properties across Hervey Bay & the Fraser Coast.

## WHO THIS IS FOR

### Hotels & motels

Lobby lounges, room chairs, corridor furniture.

### Cafes, restaurants & bars

Banquette/booth seating, dining chairs, bar stools.

### Aged care facilities

Common-room and resident lounge seating.  
Police-check compliant.

### Short-stay & Airbnb portfolios

Periodic deep clean layered under your regular turnover cleaner.

## HOW WE WORK

### Scheduled maintenance

Recurring monthly or quarterly visits across all upholstered seating. Priced as one flat facility rate, discounted below ad-hoc pricing for locking in the schedule.

### Same-day call-ups

Spill, stain or VIP checkout — priority response with a fixed rush fee, no surprise multiplier.

**Method:** maintenance and same-day work use low-moisture encapsulation cleaning — dry and back in service within 1–2 hours, not the 6+ hours traditional hot water extraction needs. A periodic hot water extraction reset (annual or biannual) is available separately for a deeper restorative clean.
